

White 17 Seater Coach Tour Bus Tourist Road Diesel Electric Bus

Our Product Introduction

for more products please visit us on vehicle-automobile.com

Basic Information

- Place of Origin: China
- Brand Name: Fushunt
- Model Number: Tourist road bus 17-seater diesel bus front rear drive 6×2 manual transmission/automatic transmission
- Minimum Order Quantity: 1 vehicle
- Price: \$30,000-\$40,000Dollar
- Packaging Details: Complete vehicle
- Delivery Time: 5-8 work days
- Payment Terms: T/T
- Supply Ability: 1000 vehicle

Product Specification

- Accessibility: Wheelchair Accessible
- Brakes: Air Brakes
- Capacity: 17
- Engine: High Performance
- Fuel: Diesel
- Interior: Air Conditioned
- Lighting: Interior Lighting
- Luggage: Large Luggage Compartment
- Restroom: Onboard Restroom
- Safety: Seat Belts
- Seats: Reclining Seats
- Type: Coach Tour Bus
- Video: Flat Screen TV
- Windows: Large Viewing Windows
- Highlight: **17 Seater Coach Tour Bus,**

Product Description

Tourist road bus 17-seater diesel bus front rear drive 6×2 manual transmission/automatic transmission

A 17-seat diesel passenger bus is a type of vehicle designed to transport a relatively large number of passengers in a single trip. It is typically powered by a diesel engine and provides comfortable seating for up to 19 individuals.

The diesel engine in a 17-seat passenger bus is known for its durability, efficiency, and torque. Diesel engines are well-suited for applications that require high power output and fuel efficiency, making them a popular choice for larger vehicles like buses. The engine is designed to provide sufficient power to propel the bus and its passengers while maintaining good fuel economy.

The interior of a 17-seat diesel passenger bus is designed to provide comfort and safety for the passengers. It typically features comfortable seating arrangements with ample legroom and headroom to ensure a pleasant journey. The seats are often padded and ergonomically designed for long-distance travel.

In terms of safety features, a 17-seat diesel passenger bus may include features such as seat belts for each passenger, airbags, anti-lock braking systems (ABS), and stability control systems. These features are intended to enhance passenger safety and provide a secure travel experience.

The diesel passenger bus may also come equipped with amenities to enhance passenger comfort and convenience. These may include air conditioning or climate control systems to maintain a comfortable temperature inside the bus, entertainment systems such as multimedia screens or audio systems, and storage compartments for luggage or personal belongings.

Vehicle technical parameters		
1	Car body dimensions (length × width × height) mm:	6450×2098×2360 (medium top), 2620 (high top)
2	engine manufacturer	Jiangling Motors Co., Ltd.
	Vehicle manufacturer	Jiangling Motors Co., Ltd.
3	Wheelbase mm:	3750
4	Vehicle fully loaded total mass kg:	4250
5	Vehicle curb weight kg:	2870
6	suspension system	Front suspension MacPherson independent suspension,
7	Approach / departure angle	Rear suspension leaf spring non-independent suspension
8	Front overhang/rear overhang mm	20/14
9	Axle load	980/1720
10	Number of axes	1620/2630
11	Fuel consumption	2
12	Number of spring leaves	9.9
13	Number of tires	-/3
14	Front wheelbase/rear wheelbase	6
15	Steering Type	1745/1642
16	Minimum ground clearance mm:	steering wheel
17	Minimum turning radius m:	187
18	Fuel type:	9.45
19	Fuel tank volume (L):	diesel fuel
20	engine model	80
21	Way of working:	JX4D20A6H
22	Exhaust volume ml:	L in-line, four-cylinder, supercharged and intercooled, direct injection, high-pressure common rail,
23	Rated power kw(hp)/rpm:	2000
24	Maximum torque Nm/rpm:	107/3250
25	Emission Standards:	325/1500-2500
26	Drive mode	National VI
26	transmission:	Front-wheel drive
28	Top speed km/h:	6-speed manual transmission
29	Tire specifications and models	160, 100
30	Braking System	185/75R16LT
31	Environmental protection standards	front disk rear disk
32	Rated passenger capacity (including driver)	GB17691-2005 (National VI), GB3847-2005
Main vehicle configuration		

33	All-metal enclosed load-bearing body, the exterior color of the car is white
34	ABS8.0+EBD,
35	manual rear view mirror
36	black halogen headlights
37	middle gate
38	front air conditioner
